

# Europa+

## Grants in the EU

The EU is funding key projects in digitalization, ecological transition, and industrial innovation, among other sectors. If your company is looking to develop a project, we help you **access the best funding opportunities**.

*How does it work? In 3 steps:*

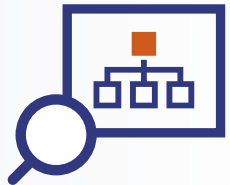

### Diagnosis and Strategy

- Analysis of your entity and projects.
- Definition of your European profile.
- Positioning in Europe.

01

### Financing Plan and Access to Opportunities

- Identification of the best funding options.
- Regular updates.
- Support from expert consultants.

02

### Grant Application

- Drafting of the technical and financial report.
- Consortium setup.
- Submission through EU platforms.
