Manage your European projects successfully

Spain has received €48 billion in Next Generation EU funds, which must be executed before 2026. We help you with **management tasks** so you can focus on your mission and achieve your objectives.

How does it work? In 3 steps:

Administrative Management

- Green and digital labeling.
- DNSH, DACIs, and other management principles.
- CoFFEE and MINERVA platforms.

01

Financial Support

- Eligible expenses.
- Reports, audits, and financial planning.
- Risk and deviation analysis.

02

Project Monitoring and Closure

- Objectives, milestones, and indicators.
- Project impact and exploitation.
- R&D opportunities and future projects.

03

What are the benefits of the service?

Comprehensive support in the execution and justification of your projects at the **national and international** levels; covering administrative, legal, financial, communication, and technical areas.
